

PNEUMATIC & AUTOMATION PRODUCTS LINE CARD

Hydraulic Supply Company (HSC) offers a robust Pneumatic Control & Automation (PCA) product lines for the industrial automation market that includes pneumatic, automation, electrical and mechanical products.

We employ a team of technical specialists in the pneumatic, control and automation field for onsite assistance as well as dedicated inside technical and customer service personnel to answer your questions and handle your requests. All members of our HSC team are factory trained by the many premier manufacturers we represent and continually receive training on the latest products and technologies available in the market.

Here are some additional services that we offer our customers:

- ✓ Custom Designs
- ✓ Circuit Design
- ✓ Private Labeling
- ✓ OEM Assemblies
- ✓ Reverse Engineering
- ✓ Reserved Inventory
- ✓ Turnkey Systems
- ✓ Proprietary Design
- ✓ Logistics Management
- ✓ Kitting
- ✓ CAD Drawings
- ✓ Barcoding

THE SOURCE FOR ALL YOUR
FLUID POWER NEEDS

- Over **20,000** hydraulic, pneumatic and industrial products in stock among the most recognized brands in the industry.
- Orders received by **4:00 PM** ship on the same day
- **Central Distribution Center** (60,000 sq. ft.) that houses two manufacturing departments to produce finished products for customers.
- **Retail Stores** conveniently located in FL, GA, AL, SC, NC and TN in the United States and in Monterrey, Mexico
- **Engineering Center** with a team of expert design engineers.
- **Custom build programs** available.
- **Sales & Customer Service Department** with knowledgeable staff to support our customers' individual needs.
- **Hydraulic Repair Service Center of Excellence** to provide you quality service with reliable results and dependability.

PNEUMATIC & AUTOMATION PRODUCTS LINE CARD

Air Valves-, Fieldbus Electronics, Air Preparation, Filter Elements, Cylinders, Slides & Gantries, Grippers, Rotary Actuators, Electric Actuators & Controls, Sensors, Pressure/Temperature Switches, Proportional Valves

Miniature Pneumatic Components, Pressure & Vacuum Regulators & Switches, Plastic Barb Fittings, Logic Valves

Shock Absorbers, Air Springs, Rate Controls, Dampeners, Buffers, Energy Absorption and Vibration Isolation

Stainless Steel Valves, ISO, NFPA & Rodless Cylinders, Vacuum Ejectors, Mechanical and Electrical Valves

Extruded Aluminum Framing and Accessories, Machine Guarding

Cylinders— Brass and SS Repairable Round Line, Solenoid Valves, Index Tables, Cyl-Checks, Transfer Pumps

Plastic Tubing: PE, Nylon, DOT, Polyurethane, FEP, Coilhose, Bonded, Custom Colors and Configurations

Spool and Poppet Valves, Solenoid Valves, Cylinders, Pneumatic Logic Controls

Switches, Sensors, and Transducers for Pressure, Flow, and Level Control. Miniature Solenoid Valves for Liquids, Gases, and Cryogenics.

Fittings & Couplers: Polymer, Brass, Stainless Steel & NSF Potable Water, Brass Barb & Pipe Fittings, Blow Guns, Tool Balancers, Tubing, Coilhose

Precision Regulators, Gauges, EP / IP Transducers, Water and Gas Regulator, Servo Pressure Controllers.

Regulators for Natural Gas, Propane, LPG, Steam & Water. High & Low Pressures, General Purpose, Precision, and Boiler Control.

Regulators: High & Low Pressure, Vacuum, Valve Actuator Systems

Rotary Vane Actuators, Gate Valve Cylinders, Shakers

Switches: Pressure, Vacuum, Differential, Temperature, General & Hazardous Duty

Compact Cylinders, Slides, Grippers, Collet Closures, Custom Designs

Heavy-Duty In-Line Valves, Pneumatic Control Components, Stacking Air Control Valves

Powering Business Worldwide

Electrical Automation & Control: Power Management, VFDs, HMIs, PLCs, Pushbuttons, Wireless, Cordsets. Switches: Photo, Inductive, Capacitive, Mechanical
